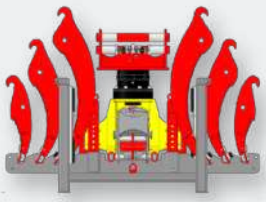
Transport**Gestelle**

Solution for transporting and storing the lifting devices
for HydroFIX, HydroFIX Light, VerbauGreifer and KabelFIX

Fast and safe transport
to and from the site

There is a matching transport rack for HydroFIX, HydroFIX Light, VerbauGreifer and KabelFIX. The attachment adapter, head and arm sets are stowed completely inside it.

The rack is picked up with the quick coupler or the pallet forks, protects the units from damage and is easy to stack.



HydroFIX transport rack

Attachment adapter + HF head + 3 arm sets

Art. no. 80951
